We will not be responsible for delays in shipments or deliveries due to Railroad Embargoes, war, priority and other transportation orders.

• In making all shipments we carefully consider conditions in general and act accordingly.

SELECTED STOCK, selected by customers at the Nurseries, will be charged for according to the value of the plants chosen.

Prices are subject to change without notice, *and all quotations are made and all orders are accepted contingent upon strikes, accidents, delays, frosts, hail, sleet, fire and any and all other causes beyond our control.*

Prices and quotations are subject to prior sale of stock and contingent that we have the goods unsold and on hand at the time order is received.

Orders for stock herein offered will be subject to cancellation in whole or in part, at our option and without recourse against us, if at any time stock necessary to fill such orders is destroyed, injured by frost, hail, fire, flood or other causes beyond our control.

PACKING CHARGES are extra on all orders boxed or baled and which are forwarded by express or freight, except carload lots. Charges made are only sufficient to cover for labor and materials. We take particular care to pack all stock in a first class manner.

GUARANTEE AND CLAIMS. It is mutually agreed and understood between the Purchaser and Ourselves, that in any case we shall not be liable for a sum greater than the amount originally paid us for said trees or plants, etc., that prove untrue.

SHIPMENTS TRAVEL at the risk of the Purchaser. Our responsibility ceases when goods are receipted for by Carriers.
